

The background of the slide is divided into two main horizontal sections. The top section is a solid dark grey or black. The bottom section is a lighter grey and is filled with numerous horizontal lines of varying widths and colors, including shades of blue, green, yellow, orange, red, and purple. These lines are somewhat irregular and overlap, creating a textured, layered effect. The text is centered horizontally and positioned in the upper half of the slide, overlapping both the dark and light background sections.
